Goober Goober Goober! Oh how im gonna miss you my friend. Never thought id be writing something like this to you. I don't know where to start. You were loved by soooo many. One great soul!!! Im crying just writing this. Im sorry I couldn't come to say goodbye. It just wasn't gonna work with my work. Just know I love you and am gonna miss you and our talks so much. You never once judged me for anything and kept all my secrets. It makes my heart smile knowing that when Dae Dae gets here....you will be watching over him smiling at how proud you are of me. I am so proud of you Goober! You moved down there and did good for yourself. One day we will make more memories together, but until then I will forever cherish the ones we have already. I love you Kyle ALWAYS! Just smiling how we used to always say that to each other. See you one day....rest up Goober!
