

## Dorothea K. Kinol

February 6, 1946 - April 3, 2020

Our Angel,

To your Mama and Papa, you were the bread winner. To your siblings, you were their lifeline. To your nieces and nephews, you were their favourite aunt. To your grand children, you were their Santa Clause. To your extended family, you were the most generous person. To your employers, you were their family. To your friends, you were simply amazing. To all of us, you were the most beautiful, kind, and generous person we have ever known.

Thank you for your love, you were an inspiration to all. You are now in a perfect place with our Heavenly Father where there is no pain and only pure love and joy. You are gone, but will never be forgotten. Your beautiful memories will always remain in our hearts.

You were our Angel on earth and now you are our Angel in heaven that will be guiding us for the rest of our lives.

I close my eyes as I wipe a tear.  
I just keep wishing you were still here.  
I will hold all the memories deep in my heart.  
Through these memories we'll never part.

I close my eyes as I wipe a tear.  
I just keep wishing this pain would disappear.  
I didn't get the chance to say my last goodbye.  
I just didn't think you could ever die.

I close my eyes as I wipe a tear.  
All of your love I will always hold near.  
In my heart and in my mind I will never be alone.  
Because when my time comes, I know you will guide me home.

-----  
We lost a beautiful woman, sister, aunt, and grandmother. She might be gone but she will never be forgotten. I will miss you dearly as well as all who loved you. We love you Mama Bebe, until we meet again. You fought as long as you could, now you can rest.

They say that life is not about the number of breaths you take but of the moments that take your breath away.

Last April 4, 2020, a woman of principle, courage, and very firm for what she believed in has taken away from us by our God Almighty. Everything happened so fast, na hanggang ngayon hindi parin namin lubusang maisip na wala na si mama bebe, wala na po yung "Santa Claus" ng pamilya. Si mama bebe kasi yung tipo ng tao na, kung anong meron sya ngayon ibibigay nya lahat para sa ikakasaya ng pamilya nya lalo na kaming mga apo nya.

Kaya po sobrang sakit lang kasi hindi man lang namin sya naalagaan nong nasa ospital pa sya na sobrang naghihirap at nakikipaglaban sa sakit nya. Sobrang helpless po kami nun, wala kaming ibang magawa kundi magdasal at umasa na sana mgkamilagro para maisalba yung buhay nya.

To mama bebe,

Ma, alam nyo po ba na sobra akong nanghihinayang na hindi man lang ako nakauwe palagi nung nandito ka sa pilipinas? Sobra ma kasi, yun na pala yung huling uwi mo na buhay dito sa pilipinas 😭 😭 . Kung sana lang nakauwi din ako nung reunion natin para makita ko man lang kung gaano ka kasaya nong araw nayun. Pero heto na yun ma eh, wala kana kaya kung nasaan ka man po ngayon sana po masaya kana at hindi na naghihirap. Sana kasama mo na po ngayon yung iba nating pamilya na kasama narin ni Lord. Maraming maraming salamat mama bebe sa lahat ng mga blessing na binigay at na itulong mo po sa aming lahat at sobrang mahal na mahal ka po namin. We will miss you so much mama be!

A one of a kind woman given to us by our Almighty God named Mama Bebe. Truly, you are a Santa Claus not only to the family but everyone who knows how pure and kind-hearted you are. Your generosity, having a strong faith w/ our Heavenly Father/being religious, being independent, being family oriented are the things that you have taught us during the days when we still have you here.

Thank you for always sharing your blessings to us, "kada uwi mo, lahat kami may pasalubong tapos Yung araw na uwi mo bukas agad Yung mga balikbayan boxes lahat masaya, Yung kada kainan parang fiesta sa dami natin kulang pa Yung long table at daming pagkain busog lahat, pag may problema Ang membro Ang pamilya (money) nandyan ka agad para tumulong ng walang kapalit. You treat everyone as your own children and loved us unconditionally and we are very grateful for that. Earlier this month, we were shocked to know that you already left us and you're already w/ Our Creator. Indeed life is unpredictable.

We're sorry that only Tita Andrea and your boss who are beside you when you are fighting your battle to survive. We know it is very hard to be far from your family and no one can take good care of you. We never expected that our last video call with you last April 2 will be last, we saw how hard you struggle and the tears fall from your eyes, from that we know you're fighting but maybe your mission here on Earth was already fulfilled and God needs another angel so He has to take you from us. We apologise if we're not able to give back your goodness but we promise to continue love one another in the family and always believe that family comes first.

Mama Bebe, your real name really says it all because Dorothea/dorothy means "God's Gift". Undoubtedly, you are God's Gift to our family, and may you serve as a model everyone.

Now that you're w/ Him, we know that you're our new Angel watching over us from above. You're always in our hearts and will be forever be remembered. We love you Mama Bebe!

“ Mama Bebe you're now in a place without pain. It is hard for us to accept your loss, but we must. Way back from the days that were together, laughter and joy filled in our hearts. The days you made us happy and feel like we've won a lottery for the things that we have received.

Mama Bebe is such a blessing to us. She is like our Fairy Godmother who always gave us some of our needs and wants for her grandchildren. GOD blesses her to share her blessings to us. Every 2 or 3 years Mama Bebe always went home and we as grandchildren are very excited to see her with Mama Inday and family with joy and excitement. Last November 2019 Mama Bebe and Mama Inday with the family from Manila went home, since Mama Bebe only have a short time to have a vacation, we cherish every moment together even if we have a class to focus with. In that short time we didn't even notice or knew that she is having an illness in her whole body, because she wouldn't even let us know maybe she doesn't want us to worry. When the day came that she had to go back to her work in Washington, we didn't have a chance to have a proper way of saying goodbye due to our class schedule. Months later, we heard that she is sick. Everything change and it all went black.

People leave, but memories don't. We're really sorry for not being there during your hard times but we are also fighting, hoping and praying for your recovery. Thank you for everything Mama Bebe. For the love and never ending support to us. You left us without even saying goodbye. Didn't even thought that it will be our last reunion with you. Wish you could see us grow and have you as our inspiration. An inspiration for us to start over again without you and make you advice as our path for success. We hope that you're happy and safe in a place were you belong to. We will treasure our memories together in our hearts. You will never be forgotten.

“ GOOD-BYES are so difficult...when the FATHER says, “COME HOME”, and opens the wide door, i’m So sad because I cannot see YOU anymore, and yet, I know, beyond that door, you are in glorious place where everything’s perfect, where you see the Savior’s face and enjoying eternal life. GOD WILL KEEP YOU IN HIS TENDER! LOVING CARE.... I LOVE YOU!...I THANK YOU VERY MUCH FOR SHARING ALL YOUR GRACES, I THANK YOU FOR EVERYTHING THAT YOU HAVE DONE TO OUR FAMILY. You will always remain in our hearts forever. RIP Tiya Bb Dorothea K. Kinol

“ Tia Baby I would have not imagined that the last time I would see you was November of 2019. These past three months have been very difficult, I planned to visit you in Florida twice in March to take care of you but couldn't because of pandemic. We were separated by thousands of miles and the only thing I could do was talk to nurses and doctors so I could update our family members in the Philippines, Austria, US and Canada. Everything happened so fast, none of us are prepared, we are all shocked and devastated that you left us all so soon. I will treasure all the memories and the last three days we spent together in Siaton. Thank you for all your help and generosity especially to Mama and Papa. Tia Baby I asked that you guide me and you protect me as I continue to fulfill the unfinished tasks. I love you til we meet again. Rest In Peace
