“ Dear Gloria - you will remain in my heart forever. You were always there for me, that Christmas you invited me to spend with you and your family. When my Mother passed in my home and I was living right across from you.... You were there to comfort. I was blessed to be able to speak with you a two weeks ago. I have this void in heart as I have lost a good friend. It is always so hard to lose a Mother, my thoughts and prayers are with the family. Love and heavenly blessings to them.

“ There's your biological Mom and your Mother-In-Law whom you likely refer to as "Mom". For the very fortunate few, you may call other woman in your life deserving of the most honorable moniker I know, "Mom". Gloria was one of those woman for me. My family and I were fortunate to be able to spend a couple of Thanksgivings at our home with Gloria and her sons Martin and Chris. We also got to see Gloria during her visits to Michigan to see Martin. We always made time to get together because we enjoyed the hell out of each others company.

Gloria's out-going personality and smile filled a room and instantly made others around her feel comfortable and happier to just be in that same room. Not many have that gift.

Yes, I called her "Mom". It was because Gloria exuded those wonderful motherly instincts and happiness for all that you wanted to be closer to her. The Kulas family will miss her dearly but feel blessed for the time we got to spend with her.

God Bless you Gloria (Mom)!
