

John Joseph Purtz, Jr.

February 13, 1955 - June 10, 2015

It is with heartfelt sadness we announce the passing of John Joseph Purtz, Jr. following a courageous battle with cancer. John was a beloved partner, son, brother, uncle and friend to many.

John was born and raised in New York. Growing up in NY, John was an alter boy, played in bands and worked as a camp counselor for disadvantaged youth. While in New York, John worked in the hotel management industry for many years.

After moving to Florida, John realized his calling as a special education teacher. He returned to school, getting both a Bachelors and Master's degree from Florida Atlantic University in special education. He was in the honors program and on the Dean's list. John taught for twenty years in the Palm Beach County school system, most recently at Dwyer High School.

Throughout John's battle with cancer, he kept a positive and inspirational attitude. He worked closely with his primary team, Doctors Robert Scoma and Glenn Englander, and received comfort in the trust he had in that team.

John is survived by his long time-partner Mary Hall, parents John and Mary Purtz, brother Charlie Purtz (Lynn), nephew Danny Purtz (Nicole) and niece Natalie Farrish (Doug) all of Long Island, New York, Mary Hall's family, the Reilands from Houston, Oregon, California, Arizona, Florida, Colorado and New York, long-time friend Terri Clement of Jupiter, Florida, and many more beloved friends and colleagues.

John enjoyed his life to the fullest. His kindness, passion for his profession, and witty sense of humor will be sorely missed by all.

A funeral mass will be held on at 12:00 PM on Monday, June 15, 2015 at St. Jude Catholic Church in Tequesta. A committal service will be held at 10:30 AM on Tuesday, June 16, 2015 at Our Lady Queen of Peace Catholic Cemetery in Royal Palm Beach. In lieu of

flowers, gifts may be made to the American Cancer Society or the Dwyer High School Special Education Department.

“ I am just hearing of Mr. Purtz's passing. I am very sorry. He was one of Steven's teachers during his first year at Dwyer. I will never, ever forget how on the first day of school that year he approached me to ask me if I was Steven's mom. I had been waiting to pick Steven up after school in the parking lot. Boy, did my mind race, thinking about what he would have to say, but I was thrilled when he started to tell me how smart Steven was! He told me he didn't have material that was high enough for Steven's abilities and that he had to order some! He just praised him so! I knew I had made the right decision to get him to Dwyer after that conversation that afternoon. It was always such a pleasure to see Mr. Purtz during the next four years that Steven was at Dwyer. I am sorry for all the kids who will be attending there now and in the future. They will not know what a champion Mr. Purtz was.
