

Mary Sue "Molly" Sparger

January 19, 1938 - May 3, 2020

Sparger, Mary Sue

Mary Sue (Molly) Sparger, 82, of Jupiter, passed away on May 3, 2020 from a fatal head injury as a result of a fall at home. Molly was born on January 19, 1938, in Charlotte, North Carolina to Charles and Mary Lou Short. Her father gave her the nickname from a line in a then-popular song ("My Blue Heaven") "Molly and me and baby makes three," and her many friends and family members know her by "Molly."

Molly met the love of her life in college and married him in 1960. Throughout their nearly 60 years together, Jim and Molly Sparger lived life to the fullest. They brought their infant daughter Kelley to Jupiter in 1962 to seek their fortune. They found it and never looked back. Jupiter was just starting to wake up from being a sleepy fishing village to become the vibrant town it is today, and Molly and Jim saw and were involved with the changes throughout the years. After retiring from jobs in the social services field, Molly became a valued volunteer for the Junior Woman's Club, Brownie Girl Scouts, Jupiter Medical Center, and El Sol. Molly was an early member of the prestigious Loxahatchee Guild which became responsible for the physical location of the Jupiter Lighthouse museum and docent tours, many of which were led by Jim. She was also a charter member of Jupiter-Tequesta United Methodist Church.

The great interests in Molly's long life were obviously her three children and her husband, Jim. She acted as Jim's anchor and supporter throughout their marriage. Jim feels that Molly was the glue that held their family together, writing birthday cards, keeping up on family events, etc. They formed a perfect union, and the story of their lives and achievements is inspirational to the next generations.

Molly is survived by her husband, Jim Sparger; two daughters, Kelley Burns (Vince), Jupiter and Shannon Sparger, Jupiter; son Todd Sparger (Kim), Port Orange, FL; granddaughters Courtney Sparger, Lauryn Sparger, both of Florida; Shaina Burns of Florida, Erika Fiting of Arkansas; great-granddaughter Ellie Grace Burns, Florida, great-grandson Liam Augustine Burns, Florida; caring sister-in-law Joyce Short, North Carolina; and devoted cousin George Laycock (Marci), Florida. She is predeceased by her two brothers, Charles and George Short. Many friends, including Barbara Mathews who were

like sisters for 58 years, will cherish her memory. In lieu of flowers donations may be made to CROS Ministries, 3677 23rd Ave. South, #B-101, Lake Worth, FL 33461 www.crosministries.org

A celebration of Life will be held at a later date.

“ I was heartbroken to hear of Molly's unexpected passing; my deepest condolences to Jim and her family. We moved to the neighborhood more than 20 years ago and Molly and Jim were the first people to welcome us with open arms. Molly was so caring and would always lend a ear in both happy and troubling times. When my kids were younger, she always welcomed our impromptu visits to wander around her property discovering all of the treasures while we caught up on each other's lives. She always remembered the kids' birthdays and went out of her way to check on their progress as they grew older and went off to college. I will miss driving down our street seeing her and Jim on their daily walk and stopping to chat. While I stopped often, sometimes I drove by because of obligations. I regret now that I didn't stop each time and say hello. Molly was a wonderful person with a beautiful smile and kind heart and she will be truly missed. Love, Tina Campbell

“ Jim, I used to be your student at Jupiter High School; I graduated in 1978. I was looking at Molly's obituary because I recognized your last name. I am so sorry you lost your wife. I just lost my father (91 years old) on Saturday. I will be praying for you.

“ What a wonderful woman she was, so warm and caring, and such a beautiful smile. We haven't seen her in years, but certain people leave you with a positive, loving feeling, and she was one of them. Our deepest sympathy to the family. Much love, Neal and Norma

“ With a very heavy heart, I can not begin to express the loss of such a lovely lady, Molly Sparger. She had a million dollar smile, and was so warm and sincere. One special memory that I will never forget was when we came in on the boat, and that wonderful woman was standing on the dock waiting to give me a big hug! It was the first time that I had seen her since I lost my husband. It was the most caring and comforting hug, that I will never forget!! You will be greatly missed, and your kindness will always be remembered. May God bless the Sparger family for losing such a genuine person.

“ Molly genuinely cared for others. She would say “and how are YOU doing?”
A great listener and she gave great hugs.
