“ There isn't just one candle color for Mo as she was full of life and full of color in everything she did.

“ Mo was my cousin, but actually, she and her sisters: Ellen and Ann, were more like our sisters. Always caring, loving and so generous. As i reflect back on our lives, we all simply connected so well. Fond memories of the New Jersey shore summer vacations, family holidays and so many happy times. We were always so proud of her accomplishments and that she finally found such an incredible individual, Richard, to spend her life with. She will be forever missed but never forgotten. May she be in God's Armor forever.

“ Maureen was my aunt and she was a wonderful person. She did so much good for so many people and I know her family misses her dearly.

Just a reminder that everything can change in a matter of a few weeks. Just before Christmas, everyone was healthy and we were looking forward to being able to have family gatherings again after covid 19 improved. Maureen always loved to have friends and family over to her house for holidays and special occasions.

Maureen lived a great life and will never be forgotten and will live in our hearts forever.
