

Michael Leroy Phillips

September 21, 1947 - June 24, 2020

Michael Leroy Phillips departed this mortal life on June 24, 2020 surrounded by his loving family. To the countless family and friends whose lives Mike touched in his 72 years, life will never be the same.

Mike was born in West Palm Beach, Florida on September 21, 1947. He was the son of Mary Lee Joyner and Charles Ruth Phillips. He was preceded in death by his parents, his brother William Scott Phillips, his sister Lucille Beatrice Dover, and his brother Edward James Phillips. He is survived by his brother, Charles Russell Phillips. He leaves behind his beloved wife, Magdalena, of 49 years, his son Dr. Michael Charles Phillips and his wife Jennifer Phillips and their children Molly, Lily, and Charlie. He is also survived by his daughter Lilia Magdalena Kozell, her husband Richard Kozell, Esq. and their two children, Rosie and Jackson, along with many other relatives and friends.

Mike was a lifelong member of the Church of Jesus Christ of Latter-day Saints and raised his family accordingly; always having a strong testimony of Jesus Christ. He was a native of Florida and resided in Jupiter for over 47 years, except for a brief period of time when he attended Brigham Young University and Louisiana State University. While attending BYU, he was called to serve as a missionary for the church. He was trained to teach the Gospel of Jesus Christ and served in the Mexican mission for two years, during which time he mastered the Spanish language and had many unique experiences. At the end of his mission, he met his "Amor" Magdalena. They subsequently married and started their family here in Florida.

In his career, Mike was a community banker in Palm Beach, Martin, Okeechobee, and St. Lucie counties. In this capacity, he helped many local small businesses get their start. Following his retirement from banking, Mike was the volunteer coordinator for El Sol, Jupiter Community Resource Center, where he helped to organize volunteer efforts and activities for the community.

Mike truly believed in and practiced his favorite scripture verse from the Book of Mormon, Mosiah 2:17 that states, "When ye are in the service of your fellow beings ye are only in the service of your God." In his free time, Mike enjoyed many volunteer activities. He was a member of the Kiwanis Club of Jupiter-Tequesta for over 30 years and served as club president twice. He would often speak with great pride of the many Kiwanis projects which

impacted the lives of others, such as the Dictionary Project that was designed to improve literacy in grade school children in Jupiter and Tequesta. He also was a long time translator of church services for Spanish speaking congregants. He made every effort to help anyone who was in need. He was a friend to all and considered a father figure by many.

Mike also enjoyed many activities like fishing, boating, gardening and hosting innumerable family gatherings. He felt that his greatest accomplishment, however, was raising a loving family and spending time with them. No family has ever been more proud of their patriarch than the family Mike leaves behind. And perhaps no man has ever given more of himself than our beloved Papa.

In lieu of flowers the Phillips family requests that donations be made to El Sol Jupiter Community Resource Center at www.friendsofelsesol.org.

“ Mike and I were friends from times we played with trucks and cars in the dirt until the present. We shared secrets, rode with his family to church and rode the bus to school everyday. He was Nick's friend and when I heard that black motorcycle coming down the dirt Elizabeth rode, I would run outside to sweep the porch and stare at every move Nick made. After he left, I would pick Mike for anything I could get out of him.

Mike will always be in my heart. I will never forget you, Mike Phillips.

Magdalena, I pray for strength and love for that wonderful sweet soul that you made happy for so many years.

Love you and your boys! Nick, Dale, and Kristy Deonas

“ Mike was always inviting, generous, caring, a jokester. A true family man. I'm grateful for the time we had to talk this month. I learned little things about him. Like the level of love he has for hats. Specifically flat caps. Like what his silence meant after a question. I will remember his sign language: I got lots of thumbs up as an answer or confirmation. Or a side wave if not. It was obvious how much he adored his wife and how proud he was of his family.

You're better off as an angel, Mike
But you will be heavily missed.

“ Mike and I grew up together here on Amelia Island. He lived next door to Dale Blocker who has now been my wife for 53 years. Mike was one of the kindest people I have ever known. My prayers go out to his family for comfort and peace. May God Bless your family.

“ I graduated from Fernandina Beach High School with Mike in 1965. I remember him most from his working in our school Library under Ms. Anna Sether. Mike was friendly and kind, had a great laugh and was a good friend and classmate. He will be missed.

“ Mike was my friend and personal banker for over 20 years. If Mike moved from bank to bank we moved our accounts from bank to bank with him. Mike you will be missed by more people than you know. God rest his soul, you are getting a real good one.

“ Even though I haven't seen you all in years, you will always be in my heart. I remember all the wonderful sabbaths our families spent enjoying each others company. The family reunions were great. I'm sure ours were nothing like the one that will be going on this week. Family find comfort in knowing you were a special part of such a well -lived life. God Bless you all, and much love from Dale and Buddy Mahan

“ I'll always remember the awesome Thanksgiving dinners. 30+ people every year. Mike And Magda would have such a diversified group and by the end of the day we'd all be friends. As a kid we'd spend part of our summers together and Mike did his best to keep Sherry and I on our toes. Towel fights and cow tongue. I'll miss you Uncle.

“ I was very sad to hear of Mike's passing yesterday and wanted to send a sincere message to his loving family:

I had the pleasure of working with Mike at The Jupiter Tequesta National Bank many years ago. Aside from being a kind and compassionate banker, helping many, Mike's

love of his family was one of my fondest memories. That is what stood out most to me! Being a woman, there is nothing more heartwarming or attractive than a man that cherishes his family and he surely did!

Magda, Charlie and sweet Lilia, you had the cream of the crop in that department! ☐
It just doesn't get any better than Mike's example!

To Molly, Lily, Charlie, Rosie and Jackson:

Your grandfather was a very special humble man who was loved and respected by many in our community. I am not certain we will ever truly understand the scope of people that Mike has helped and touched personally. He was a great great man respected by many in both business and in the El Sol community!

My thoughts and prayers are with you all.

Sincerely,

Jane Waggener
