

Morgan Terhune "Terry" Fisher Jr.

May 5, 1953 - September 17, 2018

Terry Fisher, owner of Terracon Landscaping Services, Jupiter passed away at home after an unexpected short illness on September 17, 2018. Terry lived life to the fullest and he showed it daily in every action. He was married for 38 years to his true soul mate Connie Roy- Fisher, Landscape Architect. He treasured his three children and their spouses Sarah Pollicelli, her husband David, Jake Fisher, his wife Jessica and Grace Fisher. His three grandchildren Luca, Morgan and Max brought him great joy!

Terry was a man of the earth, taking great care in maintaining and enhancing the environment so that the world would be a better place for his children and grandchildren. Terry took many people under his "wing" and helped them in life, in sports, in work, and in education. His presence and effectiveness was felt in every one of his activities. The result was a very successful business and a wonderful, responsible, loving and caring family.

Terry requested an outdoor celebration and this will be held at "The Land" at Terracon Services at 18241 131st Trail N. Jupiter, FL on Saturday September 29th at 3:30 PM-6:30 PM. If you are able to attend please RSVP at weloveterryfisher@gmail.com. Dress for warm weather- casual attire. If you are unable to attend the family would love to hear your favorite story about Terry. In lieu of flowers, please donate to the Moffitt Cancer Center Foundation, a box for donations will also be at party.

“ So true about the infectious smile. His face lit up the whole room when he entered (as did Connie's). I haven't seen Terry in a long time but was so sad when I read his obituary, I simply sat and cried. My heart is so heavy for the entire Fisher family. I know that he will be truly missed, not only by his family but by those of us who happened to wander into Terry's life.
