

Adam J. Greene

September 19, 1989 - May 4, 2022

“We regret to announce that Adam Greene, of Port Saint Lucie, died unexpectedly on May 4th in a tragic car accident. He was only 32 years old. Our family is deeply saddened and shocked by his sudden death. Adam was born on September 19, 1989, attended Jupiter High School, UCF, PBSC and lived in Jupiter for most of his life.

Everyone who knew Adam knew how kind, happy, funny, goofy and full of love and life he was; traits that were obvious to all after even just a single meeting with Adam. He worked at BOSS Refrigeration, which is not only a family business but his second family.

Adam was a huge sports enthusiast who loved the Cincinnati Bengals, Florida Panthers and Boston Red Sox. He loved all things MARVEL, Pokémon, Star Wars and gaming. But tops on his list was spending time with his beautiful daughter, Morgan. Adam was always just a big kid, and more than that, he was the most wonderful, patient, fun, and loving father to his beautiful daughter.

Adam is survived by his daughter Morgan, his parents Jonathan and Shari Greene, sister Lindsay Moser and brother-in-law Shane Moser, grandfather Donald, many aunts, uncles and cousins, and an abundance of friends. We will miss him more than words could possibly say.

A Celebration of Adam's Life will be held at the Carlin Park Civic Center, in Jupiter, on Tuesday, May 10th at 6:30PM. Please bring your love and fondest memories of our beloved Adam.

In lieu of flowers, contributions in memory of Adam can be made to his daughters college fund at <http://gofundme.com/college-fund-for-morgan-green> e.”

“ *I was a friend of Adam from online. I had the pleasure of playing D&D with him for multiple years. I just want to give my condolences to his family and his daughter. He was a great man and I'm glad to say I got to spend many weekends with him laughing and making great memories.*

“ The Greene’s lived next door to my family for years, in Egret Landing. I watched Adam grow up through high school and the years after. He was always good for a smile and a wave, hello, and as nice of a person you could find! Adam came to my house about a year ago on a service call to work on my AC. His face lit up the room as he walked in and realized I lived there. I was so happy to see him! The first thing out of his mouth was, “how is your family” and please give your mom and dad my best! That’s what kind of guy Adam was.. a very lovable and charismatic guy! My heart and prayers go out to his family and daughter. I was close with Adams Father and I loved talking with his grandfather when they lived next door.

On behalf of myself and the Bendeck Family,
You will be very missed and loved forever. May you rest in everlasting love, light and peace 🙏
