February 17, 2000 - December 21, 2016

Adventure-loving son, brother, and friend, Addison Reed Williams, passed away December 21, 2016 while on vacation with his family in Wisconsin. He was 16 years old. Addison was one of a set of triplets born on February 17, 2000 at St. Mary's Hospital, in West Palm Beach to Stephanie Remsen Williams and Steven Williams of Port Saint Lucie. From the very beginning Addison, and his brothers, Pearce and Brock, were fighters. Weighing in at a whopping 2lbs 10oz. Addison grew up to be larger-than-life with an insatiable desire to test the boundaries of every situation. During his life, he influenced many people with his infectious personality, genuine sense of humor, contagious laugh, and relentless joy. Addison was a fearless young man who prided himself on setting trends in fashion and attempting every challenge set in front of him. He loved life and was eager to experience all kinds of new adventures. Addison and his brothers attended Port Saint Lucie High School. There he had joined the JROTC and was finding a path toward his future. Addison loved music, both as a listener and a performer. His brothers and his friends will honor his love for Bob Marley by wearing Rastafarian colors during the first week of January. He enjoyed playing football, baseball, basketball and just about every other sport. He was a member of Christ Fellowship Church. Addison will always be remembered for his endless need to entertain everyone around him and his limitless energy. “ Addison was more alive in his sixteen years than most people in their entire lifetime. A handsome, healthy, witty, talented, athletic, musical, stylish human with a wonderful soul. He will live on in all of those he touched. He will be eternally 16 and in his prime saying hello to us as we go. We know he loved his parents and brothers deeply. His passing so young is a shock, but he will live on forever. And I know he would want Pearce and Brock to fulfill their lives. All will miss him and also celebrate his life, as well. We will all be together again one day! Love and peace to Stephenie, Steven, Pearce and Brock...and Addison-forever ?

“ Steven, Stephanie, Brock and Pierce, words are not enough to heal your hearts right now. Please know that we love you all and our prayers are with each of you everyday. Addison has crossed the Rainbow Bridge and is with family in Heaven waiting until everyone meets again. Steven, one time I was doing peanuts with Aunt Lil at mom's house and I found a penny on the floor by the stove. She told me that we always will receive subtle hints from those we love in who are in Heaven and so when if I found a penny to pick it up because someone in heaven sent their love. So pick the penny up when you find one and look to the heavens because Addison will always be there watching over each of you and sharing your memories with you.
