“ My deepest sympathy go out to your family during this time of sorrow. The death of a love one is very difficult. Therefore, I'd like to share scripture that may help. Please, read John 6:40, 44.

“ To Al's Family, I and my family have so many fond memories of Al. My Dad was Capt. Crysler and Al and my Dad worked together for years. When my daughter was born Al presented her with a hot-wheel car. To this day she still has the car. When Al visited in the summer he always called my Mom and spent time chatting with her. It met a great deal to her. I can still hear that laugh and see that wonderful smile. And one of the first people to call when Dad passed was of course Al. He was a great person. Rest in peace Al.

“ Lt. Mavoli was the 8PM to 4AM shift commander for OCSD for most of his career. (Tac 1) When he was on-duty he was the boss !
When he was off-duty he was your friend !
He helped shape the Sheriff's Department into the modern Police agency it has evolved into today.
When union strikes came- Aldo was the go to man. When he would come back to Syracuse for visits I was in the group that got together to hash old times and have some laughs and exchange "war stories".

Al migrated to the Sun states after his retirement and enjoyed the warm weather for the second half of his life.

Rest in peace.
