“ To my best friend.

We've had some of the greatest times together. I will always love and think about you and also shed tears of joy and sadness. I will look up at the stars at nite and know you are shining down on me. I'm so glad I came by and saw you the nite before you left us. Rhylie said to me the other day "don't be sad gammy, grandpa Al sees us. And I know you will always be my guardian angel

Hugs and kisses forever and always.

Love from me and my family
