“ *MY THOUGHTS AND PRAYERS ARE WITH AL'S FAMILY. HE WAS SUCH A GREAT MAN. HE WAS ALWAYS CONCERNED FOR OTHER PEOPLE. I HAVE BEEN WITH UNILENS FOR 23 YEARS AND HE WAS THE BEST THING THAT EVER HAPPENED TO THIS COMPANY. HE BELIEVED IN US AND HE WORKED HARD FOR US TO STAY THE COMPANY WE ARE TODAY. HE WILL BE SADLLY MISSED.*

“ Dear Mary & Family:

It is with great sadness that I learned of Al's passing on my return from Wisconsin. I had great respect for him and he was a great man to work for. He will be sadly missed by many.

My thoughts and prayers are with you during this time of sadness.

“ Uncle Al was a dear part of our family. He and Aunt Mary visited every summer in Connecticut when we were young with their adorable baby Mia. Then were kind enough to share their home with us in Florida whether it was Fort Lauderdale or Jupiter when we were adults as our own parents had passed away. They even had the next generation of Neices and Nephews stay with them. Uncle Al always had sound advice sometimes a little straight on but that was the best part. He was really quite funny with things that he did and stories that he told. Best of all he taught me over and over again how to do a wedge shot and how to get out of the sand trap which I still have not mastered like the master!

“ He always listened when I would call for his advise. He always managed to make me feel important when I asked for his help. And he always ended our conversation asking me if I had my 2 arms and legs. OK , then everything is fine. That one comment made me realize how lucky I am. Even though I would think the world was coming to an end, he managed to make me feel good, remembering that I did have 2 arms and 2 legs and that God has given me so much more and that rhings have a way of working out. Thank you Uncle Al for being there for all of us.
