“ *I was looking to 're-connect' with Bob and Alice (I moved back to New Jersey in March 2013)...instead I sit here with a sad heart and fond memories of two of the kindest, loving, people I have ever had the privilege of knowing. Thank you for touching my life. God Bless you both...with much love, Theresa*

“ *Linda and I first met Alice over 30 years ago in Cherry Hill. From the beginning we knew she was a very special person. She and Dad made each other so happy - they were an inspiration to everyone! Although we were not able to get together as much as we would like, each visit was always made special by Alice's wonderful hospitality and warmth. She will be missed by all!*

“ I will always cherish all the fond memories I have of our family visits where ever Aunt Alice and Uncle Bob lived over the years. She always loved having us visit and loved our family get togethers. I will always remember when we played baseball at a family picnic in Danville. She got right into the game with all of us. She will be missed so much.

“ My beautiful mother in law passed away at 92 years young on January 31, 2013. She was such an amazing woman and she was a wonderful mother in law. And a wonderful caring mother to many. She lived a full life and knew how to enjoy it too! She always had great advise if you asked her for it! She and her husband Bob Earlston were tied at the hip for over 40 years. They even dressed alike, she would put out his clothes to wear every morning. She was a little thing but she was a go getter...she didn't stop working until just about 4 years ago. She always was optimistic about life, people and the future..something i always admired about her. She also was very involved with the Catholic Church and loved to serve. We will forever miss her until we meet her again in heaven . I love you mother dear!

“ Dearest Bob, How saddened I was for you as I opened an email today sending along the news of Alice's passing. Her bright smile and shining personality will be missed by many. Few people I have known had the drive and zest for life as Alice, no matter what was thrown in her path. Now she begins a new life of joy and happiness with Our Lord and all that heaven holds. She will be greatly missed. I will hold her soul and you in my prayers. May God be with you and your family. Love & prayers, Renee

“ *What a beautiful, wonderful and classy lady she was, inside and out. She has touched my life and my children's lives in so many profound ways. Captain and Alice "adopted" me into their family when I was the Captain's secretary when they were stationed her at Patuxent River, MD. I have so many, many beautiful memories, and precious times spent together. My children had fond memories of her as well and they would call her "Nana." Words cannot express how sad I am, but we all have shared so much with mom and her beautiful stories, and memories we will cherish forever. My heart felt condolences.*
