“ *Gwendy and Jesse Just learned of your fathers passing and wanted to express my condolences to you both. It's so very hard to lose your parent. He had an amazing life and was blessed with many siblings and family that loved him. The family is getting smaller. I wish we weren't so far apart. Chris has been gone now for 4 years. Seems like yesterday. Thoughts and love to you both.*

“ *To the Beck Family; Allen was a wonderful person and I treasure the time that I got to spend with him. It is sad that he called to leave us but we will have a time to go. Ninety three years is not a bad gig, hope I can do the same.*

“ Allan once asked me to ski with him - for a few minutes. His skill was far beyond mine, and I was immensely flattered. He was an elegant skier and a gentleman. My condolences to his family and all who loved him.
