“ *My sympathies to you in the loss of Al. He was the kindest man and always got the job done. Al did our taxes for 15 years. He sent us a letter explaining his illness and I have prayed with the knowledge that we will see him again. I thank the Lord for this godly man of faith who showed Christ's character in everything he did. I will miss him very very much. God Bless you Betty and your loved ones.*

“ I grew up in Powell, TN and I remember the importance and the involvement of the Haworth family to the community. I was 5 and my brother 9. We both took piano lessons from Mrs. Hayworth in the "rock house" on Wells Rd. that was between the Powell Elementary School and Depot Street. God bless your passing to a new morning.

“ Alvin and I were very close friends thruout high school at Powell. I joined the Army in 1957 and retired with 26.5 years service. Sure was wonderful to see him at our 50th school get together. I'm sure he touched many lives where ever he journeyed.
