My deepest condolences to the family 😞 she was our rock, the type of friend that you can called at any time and she will always be there for you to give you the best advice ever. I worked with her for many years in NY and FL and she never lost her cool. She was always a team player but most of all an amazing dear friend. You will be missed my dear Annie, thank you for everything you did for us. Love you and will never forget you. RIP I know you are we our Lord now XOX ❤️

My condolences to the family, she was a coworker and friend to my mother Ivette Luzunaris. Annie gave great advice and the lords word was always in her to spread around. RIP you are with the Father now.

“ *She was a beautiful and kind lady.*

The last time I was with her at Ricardo's home, she gave me a hug and those were her words to me "You always smell so good Pets".....little did I know that that was the last time I would be with her.
