“ So sorry to hear about Andrew’s passing. We knew Andrew through my brother, who was very good friends with him. They were best known for collaborating with smoked BBQ. We last saw Andrew at my brother’s house for a Super Bowl Party and as always he showed up with a generous amount of smoked ribs beautifully packaged. We sat with him and his son during the game and had lots of laughs. We will always remember that memory. Prayers to his son Mason and Andrew’s entire family. Rest in peace. You will be missed at the Piscopo family parties.

“ Andrew and Mason were our Jupiter neighbors and our boys grew up together. Those were treasured years and we are so saddened by his loss. Every one of our conversations started with his smile and warmth, he was a great friend. Mason was his pride and joy, and we know Andrew will continue to look down on his family as they grow. We hurt for your loss! Love always, Chris, Rhonda, and Henry Heide

“ I was blessed to have know Andrew. He was always supportive, and I will miss that most of all. He was not only the president of Sun Terrace of the Oaks, but also a friend long before I came to Sun Terrace. He lived in my community and the two of us worked together on the Tequesta Trace board where he worked tirelessly, as he did at Sun Terrace. Even at Tequesta Trace, he was always enthusiastic about the landscape as he was Sun Terrace. I will miss his visits to the Sun Terrace office, his advice, but most of all his happy face when he showed me new photos of his grandson, Jack of whom he was so proud!
