“ *Dear Kalman Family, I was heart broken to hear the news of AK. I've known him for 25 years. I met him through his son Drew who I had the opportunity to work for on and off for years and is one of my dearest friends. AK was a great business man with a direct objective to do business and succeed - but he also had a generous heart of gold and a undisclosed soft side which I found delightful when we use to have our little chats. He was a fighter all the way to the end. He helped a lot of people along the way. He was a wonderful friend, and a wonderful family man. He definitely made his mark in this world and his life and he will be greatly missed. I am so glad to have shared moments with him and keep the memories alive. With the greatest sympathy... ~Deb~*
