“ *Dear (Aunt) Anita. We were so close in age that I never called you aunt. Our paths went a different direction when I left Florida for Nevada. I have many wonderful memories such as when I lived with Ma and Daddy Ralph in the Keys and you were living and going to school in Washington. I remember babysitting for your kids in Miami during my summer break. Good memories. You will be greatly missed. It was sad but happy seeing you a few weeks ago where our eyes met and we said we loved each other. You are still looking over your children and grandchildren. Love, Arlene*

“ Mom, you left us way too early. We could never be prepared for you to be gone. You were the rock of our family and held us altogether. I am relieved that you are no longer suffering though. I am comforted by the fact that you are now in heaven in your parents embrace. We all knew how much you loved your parents and now you are with them again. We as a family are grieving tremendously. Not to be selfish, but please watch over all of us. We need you more than ever right now. I love you and miss you so very much. Always your Loving Daughter.

“ Anita and I got to be good friends while she went to the Wellington Ward. Her son and my daughter were friends. She was so sweet and caring. I will miss knowing that my dear friend will not be in Jupiter when we get a chance to come back to that area for a visit. Anita, you will certainly leave a void in your ward and with your friends.
