

Anita Graham Salzer

December 3, 1937 - March 12, 2024

ANITA LOUISE SALZER (NEE GRAHAM) 1937-2024

Born in Rochester, NY on December 3, 1937, to Earl Lester Graham and Margaret Agnes Graham (nee Schichler), Anita died at home surrounded by her loving family on the evening of March 12, 2024

Anita was preceded in death by her son, Gregg William Salzer, and her brother Roy E. Graham

She is survived by her brother, Richard E. Graham, her daughters, Deborah Salzer Moreno (William) and Michelle Jean Salzer (Joseph Hartman), Grandchildren, Jason Wallace (Monica), Jennifer Wallace Coffield (Orus +), Zachary Salzer and Niklas Krull, great-grandchildren Evelyn, Orus Reid, Teddy, and Claire Coffield and many nephews and their wives/families.

After she graduated from St. Joseph Business School in Rochester, NY, she worked at KODAK where she met and married William Elsworth Salzer, also of Rochester. They moved to Haddenfield, NJ, and then Northern Palm Beach County, Florida in 1962. They divorced after 16 years. Anita remained in Florida until her passing.

She worked as a supervisor at St. Mary's Hospital for several years in the nursing office. She later worked at Palm Beach Gardens Medical Center in the radiology department for over 32 years as a medical transcriptionist. She also worked Per Diem at Jupiter Medical Center as a medical transcriptionist until she retired.

Her greatest passion was to be with her adoring family. She loved music and

dancing and traveled within the US and abroad. She loved all animals and went out of her way to protect even the most vulnerable of God's creatures. She had many special cats and dogs throughout her lifetime.

She was a ray of sunshine in every facet of her life. She was a benevolent, loving, kind, and compassionate person with the most infectious smile and laugh. She had the purest heart which was outwardly palpable to every single person she met and she will be sorely missed by everyone who was blessed to know her.

“ My first memory is when we had a parent teacher meeting in the 3rd grade with Debbie and my parents and the teacher said to Anita that I was a juvenile delinquent and she shouldn't let Debbie and I be friends, and to that she said "my daughter can choose her own friends thank you" the look on the teachers face was priceless, I was always at their house after that. But my best memories are when Anita, Danni, Frank and I went to Disney, Anita and Danni showed us how to love someone unconditionally. We will miss her tremendously but I know that she is now with the love of her life and her son. Fly high my friend, Fly high!

“ As a life time memory to me (7 years old) her whole family took us in as theirs. Debbie and Michelle were so kind to me and our family. I only have fond memories of the Salzer family and always will. RIP!

“ I grew up in Lake Park with Debbie, Michelle, and Gregg. She always treated me as one of her own. Took me with them on countless trips to Peanut Island, and camping trips. I can still smell and taste her home made spaghetti sauce. Anita always had a smile and big heart..she will be missed by all that ever met her.
Love you Mom (Anita)
