“ *Anna Mae: You were a good sister and aunt and we will miss you. I'm going to miss your "krautsala" . Peggy Lou tries hard but.... We got along pretty well when we were kids but even if it hurts your feelings-you never could tap dance. Always, Bill*

“ *Mom, Thank you for all that you were to us. We all have a huge void in our lives now, but can take great comfort in the wonderful memories of family vacations, gatherings, holidays. I have always taken great pride in the fact that in the 47 years that I was lucky enough to be part of the "Bielick Clan" that you and I never had any type of disagreement or argument. I think that is a great testament to the person you were. You will be in our hearts forever. Rest in peace. We will love you always. Jane and Morgan*

“ To my beloved Bielick family - my thoughts are with you all at this very sad time. Aunt Anna Mae epitomized love and commitment to family, sensible, down-to-earth "teaching" about life's ups and downs, and wry story-telling. I have so many beautiful memories of times together from childhood playing board games with my cousins and our parents laughing hilariously in the background to sitting watching silly movies together or having our annual night out at Bone Fish. She will loom large for me - a deeply significant person in my life.

*My love to Peggy, Linda, Jane, Scott, Randy, Brian and all . . .

“ Dear Linda: I have known you for 20 years and our business relationship became a close friendship. In these years you have shared your family's life, joys, celebrations, sadness, pain and emotions with me, as I with you.

You have been a loving wife, mother and daughter, and especially a daughter to be honored and respected for your devotion to your Mom these past few years. From reading these other tributes, it is obvious your Mother was an incredible person that lived and fought for her life until the very end.

I send my sincerest condolences to your family and friends that so dearly miss her and loved her.

Edna sends her sorrow to you as well, as she is currently out of town taking care of her aging 95-year-old mother and regretfully will not be able to attend your Mother's service.

“ Oh my, where do I begin.... What a great woman we lost.... My An An (Aunt Ann). In my early years she was like a 2nd mom to me. She always had stern but solid advice. She raised a great family that I truly adore.

I'm very happy for her that she is at peace now. She is reunited with her beloved Elmer, Jimmy, Billy, Janet, Ernie and many more. I truly love you and your spirit, and I know heaven (and your loved ones) are throwing you a big party as I type this... and you deserve it. Love you An An and I will see you again :)
