“ I was so sorry to hear of the passing of Tony. I met Tony at a drug store in Ft. Lauderdale, FL in 1962, and we dated. He was so talented and poetic! We communicated for two years, and I always enjoyed receiving a letter from him. We had something in common, our birthdays, both of us were born in 1940. Tony will be missed by all who knew him. Condolences to the family of Tony.
