

Anthony Hayek

March 1, 1960 - April 8, 2023

Anthony Dean (Tony) Hayek, aged 63, of Jupiter, Florida passed away on April 8th, unexpectedly while also fighting a difficult battle with Parkinson's disease. Born in San Antonio, Texas to Robert Stanley Kaliszewski and Sandra Lou (Cantrell) Kaliszewski, Tony graduated from high school at Ellsworth Air Force Base, South Dakota.

Tony is survived by his three beloved children, Colin Michael, Brandon Charles, and Catherine Reese, and his ex-wife Catherine (Kelly) Hayek. He was also very loved by his entire family and will be greatly missed by his siblings, Tammy LaCroix (and her children, Dr. Jessica LaCroix, Elizabeth Taylor, Stephanie LaCroix, and Courtney James), Cory Kaliszewski (wife Tammi and son Jamie), Chris Nelson (husband Jamie and children Jake and Christian), and Ron Kaliszewski (Lyndi). Tony also made a lasting impact on his great-nephews, cousins, and many other family members.

Tony was a prominent and successful general contractor in the South Florida area. When he wasn't working you could find him cycling, walking, joking with his friends, or watching and cheering for his children from the sidelines at all their sporting events.

Tony was preceded in death by his mother, Sandy Kaliszewski in 1992, and by his father, Robert Kaliszewski in 2021.

The family will hold a Celebration of Life service at Taylor and Modeen Funeral Home, 250 Center Street, Jupiter, Florida on April 29, 2023 at 1:00 PM. We would love to hear any wonderful stories of friendship and laughter, that you shared with Tony at this time.

The family asks that in lieu of any gifts, cards, or flowers, please donate to the Michael J. Fox Foundation at: <https://tribute.michaeljfox.org/tribute-page.php?id=2589&np=truecreate>

“ I was diagnosed with Parkinson’s disease four years ago. For over two years, I relied on prescription medications and therapies, but unfortunately, the symptoms continued to worsen. My mobility declined, tremors increased, and I experienced growing fatigue and discomfort that affected my daily life. Last year, out of desperation and hope, I decided to try an herbal treatment program from NaturePath Herbal Clinic. Honestly, I was skeptical at first, but within a few months of starting the treatment, I began to notice real changes. My energy improved, the discomfort eased, and I felt stronger and more capable in my daily life. Incredibly, I also regained much of my stamina, balance, and confidence. It’s been a life-changing experience I feel more like myself again, better than I’ve felt in years. If you or a loved one is struggling with Parkinson’s disease, I truly recommend looking into their natural approach. You can visit their website at www.naturepathherbalclinic.com

“ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Sifrol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor’s knowledge) and started him on PD-5 natural herbal formula we ordered from AKNNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinsons disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit www.aknniherbscentre.com)

“ I’ll always remember Happy Joes. Tony was a manager there and we would go there all the time and eat pizza and ice cream and play the shooting duck game! So fun! Miss those days!! ❤️

“ Tony’s laugh and sense of humor made my day. I loved hearing him laugh and his quick wit was the best. I remember my wedding day, I had called to get a horse and carriage for that day and the guy never called me back so I just figured it wasn’t available. We get to the venue and I see a horse and carriage so I thought it was for the wedding before us. It turned out it was for mine! Somehow, and I don’t know how he did it, Tony got that for me as a wedding present. I don’t know how he did it but he magically pulled it off. I’ll always remember that. Thank you big brother for being the best. I miss you so much.
