“ Dear Joann and family,
I am so saddened to hear of the passing of your wonderful husband,
father a grandfather and a friend to so many. We knew each other
for many years through the Sons of Italy. Although I didn't see him
often but when we ran into each other on occasion he always
greeted me with a big smile and a hug like family. He was very
friendly, gracious and kind.
I will keep you all in my thoughts and prayers and will always
remember Anthony with a smile in my heart ❤️. May you rest in
eternal peace with Jesus and all the angels!
Your paesana and friend, Maria Wilson. 🙏🙏❤️

“ *My family and I are all thinking of you at this difficult time. Memories of Roland's passing come forward, and I see two very hard-working men who always had time for a smile. Creating a family business is not easy, but, as we all know, we know what hard work is all about.*

I wish you all the strength and perseverance to carry his legend onward. Peace to all of you.

With love from us all.....Susan Koster

“ *Dear friends*

I am so sorry for the loss of this great father, grand-father, family member and friend.

I met Tony when I opened my office next to his in 1989. We became fast friends and missed him when circumstances had me leave for Las Vegas. I was in Florida for a short time and went to see him at Antonio's and Frank told me he was still in the hospital so my wife and I left him a message on Franks phone. We hope he had a chance to see it and knew we never forgot him. If he didn't I know he knows in heaven!

We send our deepest sympathies to his family and friends who love him. We know he is just fine!

Love
