

Asher Reuben Hendel

November 11, 1998 - November 11, 2014

Asher Reuben Hendel, 16, of Palm Beach Gardens, Florida, chose his own path to heaven on Tuesday, November 11, 2014. Asher was born in Potomac, Maryland on August 24, 1998. His contagious smile, quick wit and zest for entertainment made him the light of every room. He was a natural born leader, a mentor, and was adored by his gazillion friends. Asher was beyond generous in giving from his heart and his intrinsic dedication to philanthropic causes.

Asher is infinitely loved by his mom and dad, Damiann and Bobby and sister, Kara, along with his grandma, many aunts, uncles and cousins. And of course his three little doggies. There will be a private family burial. A celebration of Asher's life will be held Sunday, November 16 at 2:30 p.m. at the beach at Ocean Cay Park, 2188 Marcinski Road, Jupiter, Florida with reception following at Anita Lankler Pavillion. Please wear your brightest colors for Asher. Asher's family will be establishing the #foreverfrosty Foundation to immediately help teens in crisis. Contributions can be made to the Asher Hendel Memorial Fund, 19 St. Thomas Drive, Palm Beach Gardens, 33418.

“ *I miss seeing you every day. I think about you constantly Ash. I'm so grateful for all the crazy memories we have...they're constantly replaying in my head. I've prayed to you every single night since you've been gone, and there is no doubt in my mind that you're up there listening. Lucas turns 18 today and I can't help but wish you were here to celebrate with him. You are forever in my heart, mind and soul. Time is going by, but it will never fade your legacy. Stay frosty up there xoxMargo*

“ *Although I only knew you for 10 days on board the cruise ship, I thought of you as a top bloke, I only found out about your passing when i went to wish you a happy birthday on Facebook today and i was absolutely shocked. You were always there to put smiles on faces. R.I.P. mate*

“ I spent a holiday with Asher a couple of years back! We went on a cruise around the Carabinan and he made the experience so much better! He never failed go make me laugh and teach me how to have a good time!! We spoke now and then since the holiday, the last time we spoke he was showing me round his room! I only found out about Ashers death on monday when his friend Kevin told me and i was literally speachless. I use to watch his snapchat stories and he looked so happy and he always looked like he was having a good time with all his mates! Since i founf out this tragic news i havent been able to stop thinking about it and i am sending all my love and support to his family and friends! I will never forget the great time we spent together Asher, you'll forever me in my heart! Rest in Peach #foreverfrosty
