

## Barbara A. Burke

September 9, 1927 - November 27, 2013

Barbara Anne Burke age 86, went to be with her loving Savior, Jesus Christ, on Wednesday, November 27, 2013.

Barbara (Sissy) was born on September 9th, 1927 in Englewood, NJ. Barbara and her husband Aubrey raised their three boys in Ocean Township in Monmouth County, New Jersey where she opened her first business creating and selling women's cosmetic products for many years. Over those wonderful years, Barbara and Aubrey enjoyed the spoils of their hard work and success with around the world vacations and joined golf clubs in New Jersey and Florida where they have a winter home in Jupiter, Florida.

Barbara loved and was loved by her family and close friends. She always had a kind and compassionate heart for everyone she made contact with. Those we love don't go away. They walk beside us every day. We love you Barbara and your memory is a keepsake. God and Aubrey have you in their arms and we have you in our hearts!

Barbara is preceded in death by her Husband of 51 years, Aubrey P. Burke and survived by her three sons, Robert Paul Burke (Santa Barbara, CA), Donald Aubrey Burke (Paltier, CA) Timothy Alan Burke (Jupiter, FL) her brothers Paul Stubb (Anaheim, CA) and Louis Stubb (Neptune, NJ) and three wonderful and loving grandchildren, Jeremy, Chris and Keely Burke.

There are no services scheduled at this time but for those who would like to do so the family has suggested that donations can be made in Barbaras' memory to the Jupiter Medical Center, 1210 South Old Dixie Highway, Jupiter, FL 33458, (561) 747-2234 or Habitat for Humanity, 1635 North Old Dixie Highway, Jupiter, FL 33469, (561) 743-3660.

“ *Barbara was a true delight of a woman. I was privileged and honored by the trust she placed in me as her Nurse Practitioner at Family Practice Associates. I can still see her smiling face in her always elegant attire . She had a strong , independent spirit and I remember telling her how fortunate every person would be if they were as healthy, active and beautiful as she was in her 80 s. Also, we would be out of business. She laughed. I cherish our hug and a few tears back in June when I told her I was leaving the practice for a position closer to my home in Wellington. My condolences to her family on her passing. How lucky you are to have been raised and to have loved and been loved by this amazing woman. She was most proud of her sons , grandchildren and family and spoke of your careers and accomplishments. God rest her soul and be with all of you.*

“ Dear Tim,  
My thoughts are with you at this time. I know how close you and your mother were and I know how much you are hurting. I wish I could do something to ease the pain.  
I am sorry I never got to meet her, but knowing you I am sure she was a great lady. Even though you and I are not together right now, please know that I'm keeping you in my prayers so you will have the strength in you to move on and I would like to remind you that I'm here for you.  
Take care,  
Susana

“ So sorry to hear about the passing of your Mother. She was a wonderful woman that lived a full and very active life. We all know she is in a better place enjoying times again with Aubrey and telling him how to run the golf league in Heaven.
