“ *Barb, my sister, my first best friend, my partner in fun and trouble! How I am going to miss your spirit, your love of life and your wisdom. Being able to pick up that phone and talk about everything and nothing always made me feel safe. My faith teaches me that you are in our Lords arms but my heart wants you in my arms. Until we meet again sis.- can't wait to see what you have cooked up for us in heaven!*

“ Dear Diane, My deepest and most heartfelt condolences go out to you and your family. Although it's been 35 plus years, I will never forget Barb, her smile, her love for family, friends, and horses. You guys opened your home and your hearts to an unguided kid , always in a loving way and I have always been grateful. I am so sorry, life is so unfair at times, may our Lord hold her close and treat her soul gently for eternity. Love, Scott Ryan
