“ *I loved golfing with Barbara. I wasn't very good, but she made me feel like a pro. Each year I waited eagerly to hear about her latest travels. She was as nice a woman as I ever met.... thoughtful, kind, and funny all at once.*

“ Barbara had such a keen sense of humor & very often her quick wit kept me laughing. She was very compassionate and a great listener. She was very generous, loving, and kind. I remember how thoughtful she was. One day we went shopping for gifts for Julie's birthday. She decided to get one for each of the years to be celebrated. She wanted each of the gifts to remind Julie of something special that happened to her. It was truly a labor of love. It is truly difficult to pick just one thing I will miss most about Barbara, because I have so many sweet memories of her. She will be missed! Our condolences to Bob, Kevin, Brendan & Julie, Sam & Giana

“ I met Barbara in the 70's when she worked for the Worcester Public Schools. I was a teacher and she was my connection to the Director of Special Education. I could always count on Barbara. She was always there to support me and keep the lines of communication open. She loved to come to visit the kids in our program and always brought sunshine when she did. In those days there was time to get to know each other and appreciate the work the other did. Barbara was one of the people who made a difference in my career. Although those days are in the past her memory is and will be ever in my heart. Thanks Barbara you made a difference. I am so sorry for your loss but so happy for you that Barbara was in your lives I know she was very special. God Bless

“ Bob and Sons,

Our deepest sympathy in Barbara's passing. We have enjoyed Barbara and your company when you lived at the Village and I remember when a few years back we visited you in Jupiter and we all went out to lunch.

May loving memories of Barbara help you through this sad time.
