“ *Bea loved Jesus and it showed in everything she did. My son Alex was fortunate to have had her as his first pre-school teacher at Lutheran Readiness School and she lovingly taught each precious child in her class--desiring for each to enjoy learning and getting to know Jesus. She was a very special teacher! "Well done thy good and faithful servant". Norb--I am sorry that I cannot play piano with her favorite hymns for her celebration of life service at FBC as I am in Ohio with my family. I'm sure Julie will play if she is there. May God surround you with comfort that only He can give at this time and in the days ahead. Sincerely, Janet Rosmarin*

“ Always a smile, that's how I will remember Bea. I first met her when I was friends with Karen in 1973. She was a busy Mom always running, working, serving. Her home was open as was her heart. She will be remembered as a joyous faithful servant of Christ. I was honored to know her. My love and prayers are with the Lowery family. Debb

“ I too have such fond memories of Bea. She holds a special place in my heart. I have such wonderful childhood memories of spending time at their house after church on Sundays. I remember her trying to convince me Miracle Whip was the same as Mayonnaise.....never quite believed that one. I remember her giving spirit and opening her home to many. She was a sweet, sweet gentle spirit and all who knew her loved her. She loved her family and the Lord with all her heart. She will be missed here on earth, but heaven rejoices receiving a good and faithful servant. My prayers are with all the family and friends as they celebrate her life. Heaven is one angel stronger!!!! God Bless You!!

My prayers,
