“ *Hi,*

I had the privilege of working for both Mr. and Mrs Heartfield at Centerville Corners during the 70's. Both wonderful people!. They were so accepting of me- a transplant to cape cod at that time. They both treated me with such kindness. I can picture both of them sitting behind the counter at the motel desk as I would be coming on shift. Your Mother was especially so warm and fun. In the winter, when the motel was closed, I would often stop by the house to say hello. I felt a part of the family.. My thoughts to all of you especially Scott. take care phil barry
