“ Aunt Betty was truly a beautiful lady. We will always remember the family gatherings that she and Uncle Don hosted in their home...the laughter, the sharing of family stories and of course the delicious meals. We will miss her dearly.

Unfortunately I just saw this obituary but feel as though I should comment as I've known Don and Betty since they moved to Florida Betty and Don were both part of the Tequesta story since 1980 Don while working as a police officer and Betty with her deep commitment to the community Betty was one of the nicest people you'd ever meet and there is no doubt she has found her place in Heaven! I feel very blessed to have know both Don and Betty. I moun her passing but recognize what meaningful life she had!!
