“ Robby and Family...
Robby, you and Betty have been so very close to us as friends for many years. We always felt especially close since Boyd worked for Robby three different times during their careers with the Telephone Companies. It has been so special after retirement that we have been able to enjoy visits with one another.

Betty's passing is very sad for us. She was such a nice caring lady.

Robby, you have our thoughts and prayers. We will talk with you soon.
