

Beverly J Mayo

May 25, 1936 - November 22, 2025

Beverly Hope Jones Mayo Stutevoss, born on June 25, 1936, in Washington, D.C., went home to be with the Lord on November 22, 2025.

Beverly moved to Jupiter in 1953, where she met the love of her life, Glynn Edward Mayo, at his brother Beau's Gulf gas station on US1 across from the lighthouse. Beverly and Glynn married in 1955 and shared 36 wonderful years together until his passing in May 1991. In 2003, Beverly found companionship and love again when she married Robert E. Stutevoss, with whom she spent 16 loving years until his passing in April 2019.

She was preceded in death by her parents, Helen K. S. Jones and Daniel Hardy Jones, and by her brother, Daniel Grayson Jones (2021).

Beverly cherished her family above all else. She is survived by her three children—Bradley Allen, Deanna Glynn, and Dana Lynn (and husband John George)—who were her pride and joy.

Beverly also adored her grandchildren and great-grandchildren:

- Bradley's family: Denver Lee & Savannah Mayo, great-granddaughter Everly

Grace Mayo, Taylor Glynn Mayo and Amandalynn Hope Mayo

- Deanna's family: Austin Edward Mayo, and great-grandchildren Calvin Emmanuel Mayo, Emma Beverly Mayo, and Alyssa Meryl Mayo

- Dana & John George's family: Timothy Joseph George and Olivia Erin George

Beverly had a long and distinguished career, retiring as an Internal Auditor and Senior Vice President of Community Savings Bank. She began as a teller in the 1950s and rose through dedication, intelligence, and grace.

A woman of many passions, Beverly loved to travel and explored the world with enthusiasm. She enjoyed her bible study groups, was an avid reader and a devoted gardener who tended a beautiful butterfly garden for many years. Her warmth, generosity, and unwavering love for her family were evident to all who knew her.

Beverly was loved by many and will be sorely missed.

“ *Just happy thoughts from when Deanna shared her times with her mom, I always enjoyed hearing about them. Plus Deanna's time spent with her family. I knew her mom had to be a great lady considering how Deanna turned out! Plus she is a Cancer like me.*

“ *She was like a second mom to me, such a great family person. So many memories growing up in the same neighborhood.*
