“ I cherished all the family gathering with Aunt Blanche and Uncle Lionel. When it came to Dancing... Aunt Blanche and Uncle Lionel had an energy level that stood out among their brothers and sisters. The couple were amazing dancers. Aunt Blanche was always stunning in her dress .. I loved her French accent.. She was beautiful. She is an inspiration to all of us. Aunt blanche will be missed... God Bless her and the entire family.

“ I am Patty Chaballa's and Denise Cailouette's MomA. I will never replace MomB, but I will always try to be as loving to Denise as MomB was to all her children and family members. MomB spent a few months with us when I got to know her and love her. I will always remember her playing the harmonica, Allouette (sp), being her favorite. Her tenacity to live and enjoy life is an inspiration to me. (I'm 74 yrs old.) Her kindness to others, easy acceptance and non-judgement of our CA lifestyle won a place in my heart forever. Bless you, MomB, and happy reunion w/your loving husband; he has his bride again and we are joyful for both of you. My heart and love goes out to all the family members. Please do not hesitate to call on me if I can be of help to you in any way.
