“ *What a great photo of Blanche. It shows exactly who she is. Prim and proper (by her dress) with more than a bit of outrageousness (by her hat) and always, always with a smile and comment that would make you smile. Blanche, I think you'll bring laughter to heaven! Oh, and by the way, have one on me.*

“ *Blanche was a close friend to four generations of my family (and four Delphines). I remember my first cocktail party at age three in Huletts when "Aunt" Blanche showed me how to pass hors d'oevres. I always wanted to see Aunt Blanche because she was so much fun. I looked up to and admired her as a child and young adult because she was kind, caring and a successful business woman. As an adult I have come to realize how her rapport with every generation was a gift to all. Her positive can do attitude and sense of humor were infectious. I know I will hear her laughing at future celebrations. Cis and Ty are also reflecting on so many happy memories and send their heartfelt condolences and prayers. We will all deeply miss Blanche. Cheers to a life lived well. Our deepest sympathies, Delphine, Sean, Ian and Delphine Marie*
