“ *I was friends with Brenda and had many great times with her over the years. We laughed a lot! In our early high school years I was over at her house frequently, spent the night and we giggled like most young girls do. Dear Debbie showed us her make-up tips. I'm so sad for your loss(s).*

“ *Mr and Mrs Burg and family,*

I was truly devastated to hear the news of Brenda's passing. My thoughts and prayers are with you and yours. I will never forget all the fun times and laughter that Brenda and I shared during our high school years. She was a really funny and fun loving person and we just loved to laugh together. She had such a good heart and spirit and she was a good friend to me. I had spoken to her a couple of months ago and we had planned to get together soon, as I too live in Hobe Sound. I will pray for Brenda and your entire family. I am so sorry for your loss. Please know there are lots of us who are thinking of you and praying for you.
