“Her Life”

Brenda Perry Pittman

December 18, 1961 - December 16, 2020

Brenda Perry Pittman was born December 18, 1961 in St. Thomas Virgin Islands to the Clarence (deceased) and Jane Perry. Brenda passed from this life into eternity on December 16, 2020. She was preceded in death by her father and daughter Jessica Nicole. All through her illness, her faith in the Lord Jesus was unshakable.

She was extremely intelligent, confident, honest & always spoke her mind. Brenda graduated from Charlotte Amalie High School (1979) and went on to earn her Master of Business Administration from Florida Atlantic University.

Brenda met David, the love of her life; while serving in the United States Army (six years, rank: sergeant). They were married thirty-five years ago on May 4, 1985. Together they were blessed with two beautiful children: Jessica Nicole and David (D.J.) Julish Jr.

Brenda was employed at Pratt & Whitney (thirteen years), Pittman Jupiter Preschool, FI Atlantic University (ten years) and until recently the FI Department of Financial Regulations (six years).

Brenda and David loved to travel together. Their extensive travels took them to five of the seven continents of the world; Germany, France, England, Italy, Peru, Cost Rica, Panama, Cuba, Canada, Hawaii, Alaska, Greece, Poland, Denmark, Russia & everywhere in between.

She also enjoyed reading, writing and playing a game of scramble with her mother-in-law, Thelma B. Pittman (deceased). Her wish for her family was for D.J. to enjoy and live life to the fullest. She often said, “Y’all take care of David and D.J”.

Brenda will forever be in our hearts and leaves to cherish her memory her husband, David J. Pittman (Jupiter); one son, David Julius Jr. (Montana); mother, Jane Perry (Maryland); father-in-law, Charles J. Pittman (Jupiter); sisters, Marjorie Williams (Alvarez), Julian Frett, Maureen Boyd (Joe), Luana Jordon (Louis), brothers; Nurbert Perry (Carol), Clarence Perry (LaVerne), John Perry (JoyAnn), and Jeffery Perry; sisters-in-law and brothers-in-law, Ruth Lawson (Luther) and Charlayne Stone (Blayne), Ronald Sweeting and Sylvester Pittman; a life-long friend, Gen`ee "her kids"; Walteria & Beverly, her work family; Pam, Julia, Dean and a host of aunts, uncles, nieces, nephews, cousins, other relatives and friends.

“ *There are never the right words at a time like this. What I do know is that when you would look at Brenda you would see the joy just beaming from her. She was a ray of light always. I worked with her at Pratt and Whitney and then also while studying at FAU. She will definitely be missed, just an incredible person. David I just pray for you and your son and your family extended family members and there's just no words and I'm just so sorry to hear this.*

“ Brenda was my sons”other mother” as I am to David. Last year Trevor and David shared an apartment and Brenda and I had the best time helping them move in together. She had an amazing smile and so much courage! She will be missed by all in our family.

Though I only met Brenda once while watching her son play football in high school, I feel like I knew her personally through weekly conversations I had with her husband Dave. His love for Brenda was abundantly clear as evidenced by the heartwarming stories of their lives he shared. A strong, brave and loving soul who cared deeply for her family and God. My sincerest condolences to David, David Jr. and Brenda's entire family. May you take comfort in knowing that she rests in peace and joy now, reunited with her departed family members. Ellen D.

I had the pleasure of working with Brenda for many years at the Florida OFR. She was truly a beacon of light. She loved to bake, and she would spread her cheer by baking for birthdays in the office. For my birthday she would often bake my favorite -- carrot cake. She had a wonderful heart, and she will be dearly missed. Dave Batlle
