“ I knew Brian for a short time toward the end of his life. He was my best friend for 6 months and I loved him very much, I still do. He had such a passion for life and laughter and my time with him gave me a whole new perspective on life. There is comfort knowing that he is happy and healthy and in a better place where he can continue to grow and progress. I pray one day I can give him a big hug and tell him once more how much I love him. The world is missing a beautiful soul. My prayers are with his family and friends during this difficult and sad time. Rest in Peace Brian, I'll always be your Robin.

“ *Dick and Pat: Please accept our condolences on Brian's passing. It has been many years since we've been together; I wish I was there to personally express my thoughts; however, words, written or oral, are but place-holders for our deepest thoughts. And, our thoughts are with you. Nick and Pat Speranzo*
