

Bryan Thomas Nolin

September 4, 1971 - October 10, 2022

Bryan Nolin was the son of Thomas and Donna Nolin. He was a loving brother and an amazing uncle to his two nephews. Bryan lived life fully and was ready for any adventure. He loved volunteering at his church, Christ Fellowship, and spending time with his family and friends. Bryan was a successful medical advice consultant. He was a sports enthusiast, a dedicated and avid fisherman who, also, thoroughly enjoyed hunting, diving, racing anything on wheels, everything in a competitive nature.

He was exceptionally generous with his time, spending that time with those, not only whom he loved, but also demonstrating his Christian leadership by giving guidance and encouragement to everyone who needed it, every step of the way. He gave abundantly, never judging whether someone deserved it or not, as Christ would have done. He exuded confidence and character, especially in the most difficult of times.

Bryan created a legacy for our family, He left us with a priceless gift, to acknowledge that our time is precious and how important it is to spend that time wisely, just as he did. Bryan will be missed beyond words. We celebrate his life, today, sharing memories with family and friends. We will honor his legacy by living the rest of our days sharing our time, love and generosity together with others.

Tribute Wall

“ *Bryan Thomas Nolin*

October 22, 2023 at 10:17 AM

“ *Bryan was a great person and a very caring man. I had the good fortune to work with him for several years with Mimic Technologies on robotic surgery simulation and training. He had an amazing network of robotic surgeon friends who viewed him as family. Our industry and robotic surgery family has lost a truly valued member. Our condolences and prayers are with his family and loved ones. RIP brother. John Lenihan MD*
