“ *My most sincere best wishes and prayers go out to the family of Burt. May they take comfort in knowing so many remember Burt as a warm personality and friendly man who held the interests of his community close to his heart. I am honored to have many memories and conversations with Burt over the years. He interviewed me on a few occasions for inclusion of slices of my life in his magazine, and for that I am grateful. I miss our lunches and casual conversations on all subjects business and personal. I'll never forget my friendship with Burt.*

“ *To the Brewer and Reed families. My deepest sympathy to all of you. On my visits to FL it just wasn't complete unless Burt had a chance to stop by and say hello. He was a very nice and kind man, with a wonderful sense of humor. He will be missed by all of us who knew him. Rest in peace good friend.*

“ Burt was a great Radio News Director and Great friend in our Radio Days at KOFO AM/FM, in Ottawa, Kansas. His details in news stories and the facts were many fine points folk depended on in his local Ottawa area newscasts and Funeral notices. My Condolences to the Family and Friends...as Burt said many times...."For KOFO News.....Burt Brewer Reporting."

“ My deepest sympathy to family & friends. Burt will be missed by so many. His knowledge, wit, kindness, and commitment to helping others went well beyond. He was a trooper in the field of life and I am blessed to have shared our love for music, writing, and talks about any subject that may be of interest! He was a wise & knowledgable man. May he now soar beyond!
