“ *Millie always shared her laughter at the swimming pool at the Jupiter Inlet Condominiums. At 94 or 95 years of age, she came to the pool on her walker. Millie asked me if I would like to see her swim her laps. What a joy Millie was. I loved her for her cheerful, kind ways of showing her love for everyone. God Bless Millie. Do you have an address where I can send a Mass Card? Thank you.*

“ *I have so many lovely memories of my Godmother. She was always so pleasant and sweet to me. She was so very attentive to her soulmate my Uncle Angelo. Our families enjoyed so many visits and times together. I admired her love of God as well as her attention to her physical being, whether it was walking with Uncle Angelo or doing her water aerobics. May she rest in peace. Our sympathies and prayers to the family. Rosemarie, Ed, and family esp. Greg, Krista, and Alexi*
