“ I only met Carmen seven years ago but she made me feel like I'd known her my entire life. I loved volunteering with her at the Maltz and spending time getting to know her. Thankful I was able to celebrate her 94th birthday at her party and again when Diane, Thelma and I took her out to dinner to celebrate her again. We were all ushers with her at the Maltz. Carmen you will be truly missed for your positive attitude and zest for life. Until we meet again my friend rest peacefully.
