“ *So sorry to hear of Carol's passing. Although we have not seen her in many years I still remember the fun times we had at Madonna. She always had a smile on her face and enjoyed life. Our prayers are with you, Tom, and your family.*

“ Dear Tom - we are so sorry for your loss and know you will miss Carol deeply. We have had so many fond memories of the both of you! When we first moved to Maple Lake nearly 30 years ago now, Carol called Mike and myself and asked us to be judges for the Miss Maple Lake contest. From the moment I met Carol I knew and felt her care for others. She was always so willing to greet you and say hello whether we were in the drug store or on the street. She made you feel welcomed.

I remember our days with the Lions, McAlpines and Manuels come to mind! Good Memories. You and Carol were very good to Maple Lake and certainly inspired Mike and I to give back to our community.

May God bless you and your family as you grieve your loss. - Mike and Mary

“ Tom and family,

You all have our deepest sympathy. Carol was always such a fun lady to be around - I enjoyed many a good times with her on different committees several years ago. Carol always went the extra mile to make a person feel welcome. I was happy to reconnect with the both of you this summer and so enjoyed my visit with you both. Take care Tom and know that you are in our thoughts and prayers.
