

Carol Kelly

May 23, 2021

Carol Kelly, our dear wife, mother, grandmother and good friend, peacefully passed away at the Palm Beach Gardens Hospital in Florida on Sunday May 23rd.

Carol's devotion to her family and friends is legendary. Her most cherished memories revolved around the times she spent together with them throughout the course of her life.

Her companionship, support and love immeasurably enriched all our lives. Carol was an active member of the Catholic church. She instilled faith in her family and others. She led by example. She was always generous with her time. She was a homemaker for her family and others as well as a trusted and kind advisor. She was a garage sale fan, a bargain hunter, a great tennis player, a family-event planner and a foodie. She was also an artist, a lover of music, an avid gardener and adored pets.

Through her actions, she inspired and encouraged others on how to share their own unique gifts.

A memorial mass for Carol is planned at St. Patrick Church in Palm Beach Gardens in 2022. The family is requesting privacy and there are no other immediate plans for services.

In lieu of additional flowers, donations in Carol's memory could be made to: trustbridgefoundation.org; St. Patrick Church – Palm Beach Gardens (stpatrickchurch.org); Humane Society of Ocean City (hsocnj.org) or to any charity of your choice.

“ *Everything...I will miss everything about Carol. Best friend, mother figure, partner in fun, porch nights and shopping sprees. Taken to young and dearly missed. Love you Carol and my thoughts, love and prayers are with you and your family*❤️

“ *We are neighbors and friends of Carol. She was always smiling on her daily walks. I looked forward to our political chats and she would always chuckle when my kids would be creating some sort of chaos! We are shocked and saddened to hear of her passing. Our neighborhood is a bit dimmer without her bright smile. Carol will be dearly missed. Our deepest condolences to John, their children and all family/friends.*

“ Mom and I have always been treated like family by David and Vicky, and John and Carol have always extended their love to us, too. We will miss seeing Carol’s smile, her asking what is going on in our lives, and her contagious laughter.

“ I am a friend of Andrea Kelly. I will greatly miss Mrs. Kelly. She had the amazing ability to make all who walked through her door feel like family. As Andrea and I have been living on opposite coasts for years, often a year would pass or even two but when I showed up at her door, it was as if only a day had gone. The love, care and support that flowed out of Mrs. Kelly was immeasurable. Her sense of humor, quick wit and godly advice was ever abundant and so greatly appreciated. Mrs Kelly will

be forever remembered, missed and looked up to as an amazing woman, wife and mother.

“ Carol was always a dear friend. Our memories go back over 25 years.

We played tennis every Tuesday night from 7:00 until 8:30 at Penn Oaks. Carol was by far the best tennis player of our little foursome. She was a natural. She never made you feel like she was carrying her partner's weight. She was too nice, too classy, too sweet for that. After tennis, of course there were drinks at PF Chang's or Duffers. Oh, what wonderful times we had.

Carol and John came to our children's weddings, came to many of our get togethers at Stone Harbor, dinners out, and the list goes on. It was always a pleasure to see her.

Unfortunately, in the last few years, we didn't get to spend much time together, but the warm memories of Carol will always have a place in our heart. She was generous, charitable, humble and most of all loving. I know she is with the Lord, looking down on her family and everyone who was lucky enough to be one of her dear friends. We will miss you, Carol.

“ A world without Carol Kelly is unimaginable to me. From the time we met in Prendie, through wearing our tiaras to the Proms, being a part of Carol and John's wedding, and seeing them raise David and Andrea, it was always fun.

You could count on Carol for support, kindness, and for her laughter...and oh, that laughter!

As teenagers, Carol and I went to a Retreat House. We needed guidance for our future lives. Of course, as with most Retreat Houses, you must keep SILENCE. Carol and I shared a room. Did you ever tell Carol to be silent? I shall never forget the gales of laughter coming from our room and the funny stories we shared.

And so, until we meet again, dear friend, there will be an emptiness in my heart as I miss you.

“ There are so many wonderful memories of Carol it's hard to pick just one. I met her in high school and later we connected with our love of tennis. Memories of Westtown swim Club, playing indoor tennis for years. Our many cruises with Gail, Cathy, JP and Suzanne. Carol was so much fun and always kind and generous. She will be missed because she was one of a kind.

Carol had become a dear friend to me during the years she and John have lived across the street from us on Monterey Pointe in Florida. We shared many fun times, going our walks in the neighborhood, riding bikes together, having our girls' days of lunching and shopping and socializing with our husbands and close neighbors. Carol was always full of fun, laughter and adventure. A few of my fond memories are the day we and our friends Rhonda and Jim did a 5k charity walk together and dangling our legs off the pier at the Waterway as we watched the holiday boat parade. Carol will be sorely missed....she was the best of the best!

From the day I met Carol until the last time I saw her, she never changed. Always sweet, kind, welcoming. Always interested in how you were doing and how your family was. She taught me how to make great French toast! She got her sweetness from her mother who, too, was loved by all. Carol will be missed by everyone.

Carol was an angel on earth quite simply. Whenever we saw her she was a light, always beaming, optimistic and uplifting. Nothing bad ever felt as bad after speaking to her, you knew better days were to come.

We will miss her dearly. Our thoughts and prayers continue to be with John and the rest of her family. I am proud to call her friend and until we meet again... know we love you!

*It is with incredible sadness to acknowledge Carol's passing. . Although we were connected by marriage, Carol treated us as if we were her own. Acknowledging special occasions or sicknesses. Carol was a great person to talk to. She was a attentive listener and always had an optimistic approach. She was full of life and loved sharing in your own experiences. She will be missed dearly but will live on in our many beautiful memories. Let's continue Carol's legacy- live life to the fullest and treat everyone as if they were the only one in the room!
