“ *I am heartbroken to hear of Carol's passing. I will miss her dearly. I have enjoyed knowing her for the last 18 years. She was a strong, straightforward, loving lady. I have so many special memories but especially like that she loved her People magazine crossword puzzle and I will miss helping her with it. I know the last few years have been a struggle and I am glad she is at peace and no longer in pain. I am so sorry for her family's loss. Peace and blessings.*

“ Our deepest heart-felt condolences to All of you! I actually appreciated your moms frankness, at times LOL, and we shared a laugh about it years ago... OK, Carol smiled and I laughed! She always liked a good hug. God's peace for her, and All your families. With love, Mike (along with Cathy) Feeley

“ My deepest sympathy to my dear friends in the loss of your loving mother. You all were the light of her life and her most precious legacy. We go back some years and shared so many memories. Some we could share with others but we have a few we will keep to ourselves. But all of them are cherished. May God grant you some comfort during this time. Your mom is now at peace. Love thoughts and prayers to you all.

To Joan...I just learned last evening about the loss of your Mother. I am so sorry. I will always remember that you came for my husband's funeral over fourteen years ago. It meant so much to Maureen and me. I treasure the memories of the years I taught you, Maureen, Marci, and the other girls and boys at St. Clare. Those were very good memories and a very happy time. I feel so sad that I missed your Mom's funeral.

Please accept my sympathy to you and your brothers and the rest of the Sullivan family.

With love and prayers, Nan

“ Dearest Jerry, John and Joannie, I am so sorry to hear of your mom's passing. I know she had some struggles near the end but now she is at peace in heaven. But I do believe there is a party in heaven right now with my mom and dad, the Sullivans and the McNamara's and more. Aunt Carol was such a beautiful woman, inside and out. I remember her wedding day. She looked like a model from Vogue. She was always so much fun. I loved her and her wonderful smile. Sending you all hugs. Love you, Cousin Mo.
