“ *I will never forget Captain Dyer. As a child growing up in the city of PBG, my family knew him as a very friendly and very capable police officer. Many years later, while interviewing me for a job as a police officer, he recognized my name from my family's very pleasant dealings with him. I was amazed at his memory. I am proud to say that Capt. Dyer hired me and served as my mentor until his retirement. I am now doing the same job he was doing when he brought me on and I rely on some of the lessons he taught me most days. RIP, Captain. Thank you for everything.*
