“ I have known Charles for the last 10 years since being apart of Tequesta CC. My grandfather was good friends with his buddy, Jerry Townsend. Charles would always ask me about my game and wish me well in tournaments. He and Jerry are now reunited and can once again enjoy a hotdog and conversation. You'll be missed Charles.

“ *I am heartsick seeing this. Charles was a wonderful husband and father and grandfather. I would run in to him in Costco all the time and we would joke about who was there the most, him or me. Rest easy Charles, your job on earth completed too soon.*
