“ *Grandma was a wonderful lady and leaves behind a wonderful family and husband. Thoughts and prayers are with the family. Fond memories of her will remain.... Love you guys...*

Dawn you are a wonderful daughter to have been there for her through everything. She was your best friend and biggest supporter. She still is, and is so proud of the daughter, mother, and wife she taught you to be. May happy thoughts be with you through this tough time.

Lauren and Chris... she was the kindest grandma one could ask for with the compassion and simple touch that calms a room. May you remember her always and embrace the good times with her and grandpa.

Grandpa and the rest of the family. I was blessed to have spent so much time with her and your family. Thank you for welcoming me into your family just as if I was your own. My thoughts and prayers are with you during this difficult time.

Love always, Kelly

“ R.B.,
I have some great memories of Charlotte. You were the best next door neighbors and family friends one could ask for. I remember coming to your house on many occasions so Charlotte could help me make those little candies and I think I ate more than I actually made, haha. They were sooo good. The opportunity to work for you and Charlotte during my highschool years was such a privilege and blessing, and I learned so much during that time. It was sad to see you move away but I remember how you looked forward to retiring and moving to your new home in Cracker Country. We must come up for a visit, just wish it could have been sooner. You take care of yourself and tell Dawn and everyone I asked about them.

With Love,
Tammy

“ Charlotte was a very special lady, all of us fortunate enough to call her friend were truly blessed. We are trying to make arrangements to attend the service, being driving any distance or any unfamiliar roads is not an option for us anymore. If we aren't there please know you are all in our thoughts and prayers. May the good Lord grant you the comfort and strength you need at this time.

“ *There's magic in a Grandmother's touch,
And sunshine in her smile.
There's love in everything she does
To make our lives worthwhile.*

*We can find both hope and courage
Just by looking in her eyes.
Her laughter is a source of joy,
Her words are warm and wise.*

*There is a kindness and compassion
To be found in her embrace,
And we see the light of heaven
Shining from a Grandmother's face.*

*I miss you so much Grandma. The love, care and blessings
showered by you on us is incomparable to anyone else's. You loved
us for ourselves and were always there to guide us with your
wisdom. You always made us feel like you had been waiting all day
just to see us and now your day was complete. If the love from your
family and friends could have saved you, you would have lived
forever. Even though we are apart, and you are now gone and in
Heaven, your spirit will live within me forever in my heart. Love you
so much Grandma. RIP*
