“ *Good evening family and friends of Christian. I am from South carolina and come to Stuart FL 2x a month for visitation with my 6 yr old son....i went to the beach with my baby boy and found this on the way. I do not feel it was by accident...God has changed my life and maybe this was a way to let you all know that sweet baby boy, Christian Robert Wynn is seated with Abba and riding the waves of peace today. He is,always with us...even ones that have NEVER laid eyes on him and may be years older and hundreds of miles away.*

“ Christian is in some of my favorite memories, in a time when Dionne and I were in our twenties and he had not yet turned two. I keep him close to my heart as I do you and your family Dionne. While there is nothing I can do to change what has happened, I hope the love and support from your friends and family bring you peace during this difficult time.
